

Tips to Help You Choose

Need help choosing a health plan?

You must choose one of these health plans: [PLAN NAMES].

TIP 1

Learn about your choices:

- Read ***Your Health Plan Choices*** to learn about services in each plan. Each plan has the same basic health benefits, but may have different extra benefits.
- Read ***How to Enroll in a Health Plan*** to learn how to enroll (become a member) in a health plan.

TIP 2

Find out which health plans your health care providers work with:

- No matter which plan you choose, you can keep your Personal Assistant if you have one now.
- Does the health plan have the long-term care facility (nursing home) you live in?
- Does the health plan have your waiver service providers, like homemakers and emergency home response systems?
